OFFICE OF PETITIONS

In re Application of

Larry W. Collum, et. al.

Application No. 10/604,787

Filed: August 17, 2003

Attorney Docket No. N/A

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed April 10, 2007, to revive the above-identified application. The delay in responding is regretted.

## The petition is **DISMISSED**.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lacks item(s) (1).

The application became abandoned for failure to timely file a proper reply within the meaning of 37 CFR 1.113 to the final Office action mailed July 7, 2006. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination (RCE) and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). Since the amendment submitted on January 11, 2007, does not *prima facie* place the application in condition for allowance, the reply required must be a Notice of Appeal (and appeal fee), RCE, or the filing of a continuing application under 37 CFR 1.53(b). A courtesy copy of the Advisory Action is being mailed with this decision on petition.

Additionally, Office records show that petitioner submitted \$795 for a four month extension of time on January 11, 2007. However, an extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r. Pats. 1988). Accordingly, since the \$795 extension of time was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be credited to petitioner's credit card.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Continuation of 13. Other: The amendment dated 11 January 2007 is not in compliance with the procedures required to amend an application as stated in article 714.II.C (Manual of Patenting Examiner Procedures). 1). There is not a status identifier for all the claims. Claims 4, 9 and 12 have no status identifier. It appears that they should have a status of (previously amended). 2). Claim 8 has changes made from the last entered set of claims dated 9 April 2006 without the markings showing what was added or deleted. Claim 8 added the words --comprising a golf club head and a metallic shaft wherein-- and deleted the words "as described in claim 5 where" yet there are no strike throughs to show these deleted words or underlining showing the added words. 3). Claims 15-16 have an improper status identifiers. They should have the status identifier of "new". Due to this being an after final amendment the clock continues to run from the Final Action mailed 7/7/06.
